

LETHABO ISHA KGWADI

Personal Details

Age:

25

Location:

Cape Town, Western Cape

Languages:

English, Setswana

Drivers Licence:

Yes

Online Presence

- LinkedIn(<http://www.linkedin.com/in/lethabo-k>)
- Portfolio(<https://lethabok.netlify.app/>)
- GitHub(https://github.com/LittyCodes/Portfolio_LKgwadi.git)

Technical Proficiencies

- Python
- C#
- Angular
- SQL

Soft Skills

- Problem Solving
- Critical Thinking
- Team Collaboration
- Communication
- Adaptability

Interests

- Hiking

I am a recent Informatics and Software Engineering graduate with a strong foundation in business analysis. As a team player, I excel in collaborative settings and have a proven track record of working effectively in teams.

I have completed a 6-month work readiness program, during which I developed practical skills in Microsoft Azure, Power BI, and Python. This experience has been instrumental in honing my technical abilities and understanding of business analysis.

Education

- University of Pretoria (BCom Informatics, Information Systems) 2020-2023
- WeThinkCode (NQF 5: Software Engineering) 2022-2023
